WELCOME TO THE LAND OF SEALS

Be mindful: the seals are at home and we are observers.

Protect the seals from disturbances during land based seal watching:

- ✓ Move gently, keep your voice down - never throw objects.
- ✓ Keep a respectful distance (100m/yds.) - never touch.
- ✓ Never approach a sole pup - mum is nearby.
- ✓ Move away if seals show signs of disturbance - head up/vigilance or fleeing.
- ✓ No drones please.

Code of
Conduct
